JOB TITLE

Videographer

SALARY

£18,000 - £26,000

JOB DESCRIPTION

We are looking for an enthusiastic Videographer to join our TV production team to work on creating imaginative content for social media, our live shows, and other projects.

The candidate should have a passion and be proficient in creating video content, filming and using sound equipment.

Most importantly you should be enthusiastic, a fast learner and have an imaginative & curious appetite for videography and filmmaking.

Huge technical experience is less important than an eye for fresh, new content that will engage our customers.

An ability to use the Adobe suite is required, as this is the software you'd be using on a day-to-day basis.

You must be organised in the keeping of equipment, whilst also being prepared to lend a hand across other areas.

Confidence on league visits is also helpful as you'll be interacting with a wide range of different people of different ages and backgrounds.

Experience in graphic design is favourable but not a necessity.

This role is either part-time or full-time, and the successful applicant will be prepared to work antisocial hours, even at weekends or in the evenings, as is necessary for filming.

We are very flexible about days and hours. Whether it is full time part time, flexi hours or to fit in with graduate work or the school run, Sunday to Thursday, Monday to Friday or just a couple of days, we have positions to suite.

Applicants must hold a UK Driving License, and be Midlands based.

Applications, including a CV and covering letter are invited. Please provide a personal email address for correspondence.
